TOWN WARRANT

To the Inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the Tenth day of March next, at eight-thirty of the clock in the forenoon, to act upon the following subjects:

1 To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary for the maintenance of the poor, for the laying out and repairing of the highways, and for all other charges arising within the Town, and appropriate the same.

3. To raise and appropriate such sums of money as may be necessary for the support of the Fire Department, the Public Library and for Memorial Day.

4. To see what sum of money the Town will vote to raise and appropriate toward paying the Town debt and interest.

5. To hear the reports of agents, auditors, and committees, or officers heretofore chosen, and to pass any vote relating thereto.

6. To see if the Town will vote to instruct the Selectmen to appoint a Police Officer, or as many as may be necessary, to preserve order in and about the public places of the Town, and perform other duties as may be required by the Selectmen, both day and night, and raise and appropriate money for the same.

7. To see if the Town will vote to accept legacies and gifts given to the Town in trust by any individual or individuals.

8. To see what sum of money the Town will vote to raise and appropriate for the expense of supervision and materials on proposed projects to be undertaken through Public Works Administration or Works Progress Administration.

9. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars ($5,000.00) provided the State of New Hampshire gives Five Thousand Dollars ($5,000.00) for the laying out of a Secondary Highway System on Grove Street.

10. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Eighteen Dollars and Ninety Three Cents ($818.93) provided the State gives Thirty Two Hundred Seventy Five Dollars and Seventy Two Cents ($3,275.72) for road Maintenance and construction of Class Five highways.

11. To see what sum of money the Town will vote to raise and appropriate towards a complete survey and mapping of the entire Town.

12. To see what sum of money the Town will vote to raise and appropriate toward paying for Electricity, both for power and lighting purposes to be used at the new Swimming Pool on Union Street.

13. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars ($400.00) to the Monadnock Region Association of Scenic New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising calling attention to the resources and natural advantages of the Town in cooperation with the other thirty-seven towns of the Monadnock Region.

14. To see what sum of money the Town will vote to raise and appropriate for the suppression of Gypsy and Brown Tail Moths, White Pine Blister or any other insect or pest.

15. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars ($500.00) for the use of the Town History Committee.

16. To see what sum of money the Town will vote to raise and appropriate to regrade, remove and relay the present wall between the Old Highway, and the newly laid out Highway at Caper Corner on the Old Mountain Road, or take any other action relating thereto.

17. To see what sum of money the Town will vote to raise and appropriate for the purchase of a new truck for the Highway Department to replace the present Mack truck, or take any other action relating thereto.

18. To see what sum of money the Town will vote to raise and appropriate for the reconstruction and drainage of School and Depot Streets, or take any other action relating thereto.

19. To see if the Town will vote to authorize the Selectmen to sell and dispose of the dwelling and land left to the Town by the late Eben W. Jones or take any other action relating thereto.

20. To see what sum of money the Town will vote to raise and appropriate to extend the Town Water System on Summer Street to a point opposite the home of Charles Goen, or take any other action relating thereto.

21. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense in Peterborough, or take any other action relating thereto.

22. To see if the Town will authorize the Selectmen to purchase any land that may be necessary for the building and development of a Flight Strip in Peterborough, or take any other action relating thereto.

23. To see if the Town will vote to discontinue, subject to gates and bars, the road leading from the Garfield place, so called, easterly to the Peterborough-Dublin Town line.

24. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds.

25. To see what sum of money the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

26. To see if the Town will transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-third day of February, in the Year of our Lord, Nineteen Hundred and Forty-two.

CAREY A. WALBRIDGE
HARRY F. SMITH
RICHARD ALLEN DAY
Selectmen of Peterborough, N. H.

A true copy of Warrant—Attest:

5 Post Hole Diggers
6 Iron Bars
100 Feet Rope
1 Culvert Cleaner
1 Pipe Wrench

Kenneth Wetherbee, Highway Agent

Adams Playground Committee Report

The plan of co-ordinating the program at the Playground and the Swimming Pool was continued again this year, in order to give the town a program similar to that of a summer camp without the necessity of the children being away from home. Mr. L. M. Sadler, a member of the department of Physical Education of Dartmouth College, was again director of this program, and was assisted by Miss Nadene Nichols. The interest in the handicraft work shown the previous year seemed sufficient justification for broadening the handicraft activities. The committee, therefore, engaged Mr. Daniel Sullivan, Manual Training teacher at the High School, to give part time instruction in the advanced craft work. A great deal of interest was shown by the older children in this advanced craft work, and this activity should be continued in the future. The committee believing the Playground is for boys and girls of all ages, felt justified in the increased expense for the personnel to carry on a broader program. Through the co-operation of the School Board some of the Manual Training equipment was made available for Playground use. The Committee wishes to take this opportunity to thank the School Board for their cooperation.

The following figures show the Playground was used a great deal more in 1941 than in 1940.

	1940	1941
Average daily attendance for girls	13	18
Average daily attendance for boys	29	50
Average daily attendance for both	42	68

This increase is encouraging, and the continuance of a similar program should continue to show an increase in attendance for the coming year. Your Committee feels that under war time conditions, and curtailed use of motor cars, that the combined facilities of the Playground and Pool will be used more than ever this year, and that every effort should be made to provide a well co-ordinated program with adequate personnel.

Your committee feels that further co-ordination between the Playground and the Pool will add greatly to the furtherance of both projects, and we greatly appreciate the cooperation of the New Hampshire State Forestry and Recreational Department, given us by their Recreational Director Russell B. Tobey.

JOHN BELLOWS
For the Committee

Report of the Adams Playground Treasurer

AUDITORS' REPORT

We, the undersigned auditors of the accounts of the Town of Peterborough, New Hampshire, hereby certify that we have carefully examined the foregoing accounts of the officers, committees and others having charge of moneys for the year ending January 31, 1942, pages 316-363 inclusive with the exception of Detail 35 of the Selectmen's Summary of Payments, the Weston Memorial Fund Account, the James Smith Fund account and the Amanda Richardson account. With minor exceptions for which corrections now appear in the Assets and Liabilities statement, we found them correctly cast and properly vouched. We did not verify the amounts given us as uncollected taxes and water rents, assuming that their publication in the printed report will provide an adequate check.

FRANCIS B. DONOVAN

J. Bligh, Milwaukee, Wis.; Telephone Quarterly and Telephone Topics, New England Telephone and Telegraph Co.; Townsend National Weekly, Townsend Club of Peterborough; Troubadour, State Planning and Development Commission; Watchman, Seventh-day Adventist Church.

"Books are a necessity, not a luxury."

The usual routine work has been carried out during the past year, such as classifying, cataloging and mending the books; helping the children, especially in the grade schools, to find the answers to articles assigned them in school, and

having classes visit the library for instruction in the use of the library.

Books are still being taken to the Home for the Aged by Miss Ariel Cutler.

Both books and pictures have been loaned to all the schools in town, which should cut down the expense from the school budget for supplementary reading.

A "Union List" of all our non-fiction books has been typed and sent to the State Library.

Book Week was featured, this year, by a display in the Public Service window of books depicting the development of the history of our country from the beginning to the present time. This was shown on the map of "America's Making", supplemented by books for all ages. This exhibit seemed especially fitting at this time, as the future outcome of the history of our country is unknown. Boys and girls should have books that give them the knowledge of their American heritage and help them to realize their responsibility in preserving it.

"This is a World War in every sense of the word and books can serve on every front". This would seem true when the call came to provide ten million books for our men in the service, and on the librarians of the country fell the privilege and huge undertaking of this campaign.

Althea Warren, city librarian of the Los Angeles, California, Public Library, who was granted a four months' leave of absence by her Board of Trustees, to be National Director, said, "I would have been appalled at the hugeness of the undertaking if I had not realized that all the librarians in America will surely share the task." Peterborough library was asked to help in this Victory Book Campaign. Your librarian was appointed local director by the State director, and with the aid of her assistants and a local committee, fixed boxes which were put in several places in town. Seven hundred books were collected from these boxes. Sorting, grading, and in some cases mending, and packing were done, then later the books were delivered to a central place for shipping to Army and Navy camps.

May I take this opportunity to thank all who so willingly helped me in making Peterborough's part in this Victory Book Campaign a success.

In closing I quote J. Edgar Hoover's answer to "What is the place of libraries in a democracy?"

"Offering to a free people an equal opportunity to satisfy their quest for knowledge, and preserving for posterity the finest contemporary writings in every field of human endeavor, the library stands as an invincible symbol of democracy. The library is a source of power to which the scientist, the lawyer,

the doctor, the laborer, the rich and the poor can turn for assistance in their individual problems. All men stand on common ground in the library regardless of their profession or social status. There they can seek and obtain not only knowledge but hours of leisure and relaxation. Certainly this is a personification of Democracy in action."

We hope that Peterborough Library stands for all this.

Respectfully submitted,
MARTHA E. CUTLER
Librarian

Report of Police Department

TO THE HONORABLE BOARD OF SELECTMEN:

Gentlemen:

I herewith submit my annual report for the year ending January 31, 1942.

STATISTICS ON ARRESTS

Number of persons arrested, male		61
Number of persons arrested, female		1
		62
Single	36	
Married	26

Lights reported out	18
Lodgers	53
Value of property stolen, recovered	$200
Larceny cases still open	4

Civilian Defense

This department stands ready to do its part in the Civilian Defense of our town.

At the present time we are supplementing the regular force with a trained auxiliary group which will be ready for police service if and when conditions develop beyond the capacity of the regular department.

Conclusion

I wish to take this opportunity to express my thanks to the Board of Selectmen; members of the Police Department; Judge James B. Sweeney; Clerk of Courts, Algie A. Holt; Highway Agent, Kenneth Wetherbee; Merchants and Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully submitted,
Albert J. Picard

Surveying and Mapping of the Town — Surveyor's Report

At the direction of the Selectmen the following work was done from April 1941 to January 1942:

Survey and Measurements of Town Lines

1. A section of the East Line along Greenfield and Temple lines from Sand Hill Road southerly to the old field stone post on the south east corner on Pack Monadnock, east of Miller Park Road — a distance of 2.8 miles.

2. Then westerly from the above point, a section of South Line on north side of Temple line across Miller Park Road to the old field stone post east of the J. P. French property — a distance of 2,930 feet.

3. Hauling and setting up new 12 town line stone posts with town letters:

a. Four pieces marked P — T one each on 4 east-west stone wall lines west of Temple line and between Peterborough, Greenfield and Temple corner stone post on west side of North Pack Monadnock and old field stone post on south east corner of Peterborough on south east slope of Pack Monadnock.

b. One piece marked P — T on the ridge 790 feet east of Pack Monadnock fire lookout tower.

c. One piece marked P — S on Sharon town line between Old Street Road and Conday Road.

d. One piece marked P — S on Sharon town line on east bank of Gridley River.

e. One piece marked P — J on Jaffrey town line on wood road between Old Jaffrey Road and Town Farm Road.

f. One piece marked P — J on Jaffrey town line between Town Farm Road and Off Old Dublin Road to replace decayed wooden post.

g. One piece marked P — D — H on Dublin and Harrisville corners near Bond's Corner Road to replace decayed wooden post on stonewall.

h. One piece marked P — H on Hancock line on Hancock Road route 202 to replace broken stone post.

i. One piece marked P — G for northeast corner of Peterborough on Greenfield corner to replace old wooden post near Greenfield highway.

4. a. Reset frost lifted P — D stone post on Peterborough — Dublin town line route 101.

b. Move P — S stone post 45 feet north on Old Street Road to correct Peterborough — Sharon town line.

c. Reset P — G stone post on south side of Greenfield highway.

d. Move P — T stone post 110 feet north on Miller Park Road to correct Peterborough — Temple town line.

5. Other Town Work:

Surveying and Mapping of landing field 4,000 feet long by 1,000 feet wide including individual property boundaries between Elm Street and MacDowell Colony on south side of Nubanusit River.

Other Lines to be Completed

1. Study and survey town line from Dublin highway route 101 to south side of Bond's Corner Road. Then use Mr. Phillip's surveyed map to P — D — H corner. Then survey to north west corner of Peterborough near Greenfield highway.

2. Plot map as described above.

3. Will set in few more necessary marked stone posts where lines are difficult to locate.

4. Make map of town showing range and lot lines intersecting surveyed town roads.

5. And other unsurveyed sections within the town.

Respectfully submitted,

H. Thorn King, Jr.

Health Officer

Gentlemen:

Herewith my report of the activities of the Health Officer for 1941–2.

Upon several occasions the presence of Colon Bacilli in our Town Water has caused concern but upon investigation it was found that the Chlorinator was running below the standard. Stepping up the chlorinator at once remedied this condition. A case of Typhoid Fever at West Peterborough caused a deal of travel and work in the hunt for the cause. Countless stools were examined and water taken from many points at and above the White Dam. Several people were under observation as possible carriers. I am glad to report that no condition in this Town was responsible. The milk situation has been generally good with but few exceptions. Your Health Officer would state that he does not make the laws relative to unclean milk and cream, but it is his duty to do his best to protect the public by insistence that the laws formulated by the State governing milk which, after all, is a food, be observed. I have investigated 301 complaints of which 52

were justified and I am glad to be able to report that most of them were adjusted without friction. Objectional odors from the numerous septic tanks in the heart of the Town have been brought to my attention times without number and I regret that I am not able to offer a solution, nor will a solution be found until the Town, in years to come, solves this problem by an adequate sewerage system. The Town has suffered from no serious epidemics. I have had excellent cooperation from the Doctors and I take this opportunity in expressing my thanks to them for their promptness in reporting cases required by the State Board of Health to be reported.

FRANK B. FOSTER, M.D.

REPORT

of the

School District Officers

For the Year Ending

June 30, 1941

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Peterborough, Qualified to Vote in District Affairs:

You are hereby notified to meet at the Town House in said District on Wednesday, the fourth day of March next, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose two auditors for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.
6. To hear all reports of agents, auditors, committees, or officers heretofore chosen.
7. To raise and appropriate such sums of money as may be necessary for school purposes for the school year 1942-43.
8. To choose agents and committees in relation to any subject embraced in this warrant.
9. To see if the District will adopt an official ballot to be prepared by the clerk of said district for the election of school district officers as provided under Public Laws of 1939, Chapter 89, or take any other action relating thereto.
10. To see if the District will transact any other business that may legally come before this meeting.

Given under our hands this Seventeenth day of February, A. D., 1942.

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE PETERBOROUGH SCHOOL BOARD

I enclose with this, my eighth annual report, the schedule of teachers for 1941-1942, the financial report of the school board, the school board's budget and the other reports belonging to the school department.

We have had several changes in our teaching staff this year.

Mr. Ernest F. Forbes, who served as Headmaster for four years was elected Superintendent of Schools in Claremont, N. H.

After considering the applications of nearly forty candidates, Mr. Elliott W. Keach of Marlboro was chosen Headmaster. Mr. Keach is a graduate of Springfield College, 1935. He had previously had considerable training and experience in industry, and had served as sub-master and coach in Milford for three years, and as Headmaster and coach in Marlboro for three years.

Mr. Edward H. Howard was chosen as head of the English department when we found that Mr. O'Gara was not to return after his leave of absence. Mr. Howard, a graduate of Bates College, 1938, taught three years in Admiral Billard Academy, New London, Conn., from which school he came to us highly recommended.

It was with sincere regret that John Clark decided to go to Manchester a year ago. As coach and teacher of social science for eleven years, his standing was of the highest. He had earned and retained the respect of his pupils and while we knew he would eventually move on we all hoped the day would not arrive too soon.

For the rest of the year temporary appointments were made for social science teachers but the position of teacher-coach was not definitely made until late in the summer when Earl H. Leach of Danielson was elected. He is a graduate of Springfield College, 1936, and has had five years of successful experience in the Danielson, Conn., high school.

Miss Celia B. Sutton of Watertown, N. Y., was chosen to succeed Miss Laughton as teacher of French and Latin when Miss Laughton accepted a position in Wrentham, Mass.

Miss Sutton was graduated from William Smith College in 1941 and took graduate work at Cornell last summer.

When Miss Palmer resigned as teacher of Home Economics last June, to be married, Miss Virginia P. Headberg of Concord, N. H., was elected to this department. Miss Head-

berg is a graduate of Keene Teachers' College, 1941, and during the summer did substitute teaching of N. Y. A. classes in Nashua.

Miss Carolyn E. Parren of Franklin, Mass., was elected teacher of Physical Education to succeed Miss Sundin who accepted a position in Auburn, Maine. She is a graduate of Posse School of Physical Education, 1938, and of Boston University School of Education, 1940. During the school year 1940-41, Miss Parren taught Physical Education in the Elementary schools of Franklin, Mass.

When Miss Bonnette resigned from the sixth grade of the Central School, to be married, it was decided to ask Mrs. Churchill to take charge of the sixth grade, and to enable her to carry on her work as Principal Mrs. Ellen J. Ames was elected as part time teacher, taking certain subjects in the sixth grade and doing the remedial work in other grades.

Mrs. Ames is a graduate of Keene Teachers' College, has done considerable graduate work, and has taught in Newport, N. H., Melrose, Mass., and Stamford, Conn.

The total enrollment of the Peterborough schools to February 1 is 435—a decrease of ten from the enrollment of last year at this time, and a decrease of thirteen from the enrollment for the entire school year 1940-41.

The tabulation by schools is as follows:

	1940-41	1941-42 (to Feb. 1.)
Senior High IX-XII	169	166
Junior High VII-VIII	69	52
	238	218
Grades I-VI	210	217
	448	435

The present enrollment of the Central School is 184. There has been a total enrollment of 190 in this school.

Seventy-eight bus pupils eat their lunches in the corridor on the second floor using the tables given the school by the P. T. A. A prayer of thanks is said before each meal by all and then each child is excused after his lunch by a host and hostess at the tables.

The annual Halloween parade caused much fun and gave a healthy outlet for possible vandalism.

In this school the constant development of ability in problem solving is shown through self-checking charts in the various rooms. Much drill is stressed upon reading, writing, spelling

and arithmetic, as usual, with extra time given to the correction of weaknesses shown through diagnostic survey tests.

Much time has been given to visual education in grades four, five, and six. This has been made possible by the use of the High school machine.

The work of the high school is clearly set forth in Headmaster Keach's report of the progress of the school to date.

The enrollment at West Peterborough is the largest for several years. It is now 27. Last year the total was 23; in 1939-40 it was 24; and in 1938-39 it was 16.

Our teachers attended the Institute in Keene last May, and also the State Convention held in Nashua in October, while on the evening of November 6th the teachers of the Peterborough-Jaffrey Union met in their annual general meeting at the Tavern. Over sixty teachers and guests were present. The speaker was Superintendent William B. Appleton of Leominster, Mass., who gave a very instructive address.

The expenditures for scholars' supplies for 1940-41 were larger than usual for two reasons. First, the extension of courses offered in manual arts required not only considerable new equipment but also an extra amount of supplies. The second reason was that paper and general supplies were then at a low figure and an increase in price seemed likely, so more than the usual amount was purchased.

We now have a good amount of most supplies on hand, but in view of increasing prices and the scarcity of certain materials we feel that a suitable appropriation should be made to enable the school department to meet such emergencies as may arise during the coming year.

While we have had more than the usual number of teacher changes in our system this year, we have found our new faculty members earnest and anxious to do their best. The work has progressed effectively and results are encouraging.

As our schools meet the greatly increased demands of the crisis through which we are passing we feel that all citizens interested in the advancement of their children will do all in their power to prevent any lowering of educational standards. The cost of living is rising almost daily and skilled workmen must be paid wages adequate to meet these advancing costs.

The pupils in our schools to-day are the citizens of tomorrow. Any sacrifice we make for them now is an investment in our future civilization.

LEWIS S. RECORD
Superintendent of Schools.

February 16, 1942.

Report of Headmaster to Superintendent Lewis S. Record
February 2, 1942.

I submit herewith my annual report as Headmaster of Peterborough High School:

Our country is now at war and the schools resolutely will do their part in the defense of our country. All of us must face the future with courage, faith, and determination to keep and preserve for the world, all things for which our country stands. The boys and girls now in school will be the citizens of tomorrow. They are our priceless heritage. We will try to continue to provide the environment of emotional stability where calm, courageous and constructive thinking will act as a bulwark in the defense of the democratic way of life.

The English Department, by using data made available by previous testing programs, and by supplementing this with results tabulated this year, has established remedial classes designed to aid students in any given field of English. Tests were given to determine student ability in reading comprehension, literary acquaintance, grammar usage, vocabulary and spelling. The Iowa Silent Reading Test, which has been used in years past, was again chosen for this year's work. Cooperative test, covering the remaining subjects mentioned above, completed the program. All English classes were so tested, and the results of these tests largely determined those chosen for remedial work.

The Mathematics Department has also arranged a remedial program based on previous testing material and tests given this year. This schedule is proceeding simultaneously with the English remedial work. The time table is so arranged that a pupil receives remedial instruction in each field on alternate days.

The task of producing various plays has been divided in order that the burden of extra time may be distributed. Mr. Howard directed the senior play, while Mrs. Wilder remains in charge of assembly plays, and the state contest play. The school production this spring will be sponsored by the Junior Class. Mrs. Wilder will direct the play and Miss Cobleigh will direct the musical numbers.

The school library has been organized on the Dewey Decimal System this year. All books have been filed, numbered and catalogued. Two teachers have supervised the work and are assisted by a group of N. Y. A. workers.

Special appreciation is hereby given Miss Martha Cutler, Librarian of the Town Library, who so kindly gave her assistance in explaining the processes used, and the references for needed materials.

In February (1941) the school joined the Book-of-the-Month Club. In this way, we are able to add several books to our library, each year, at a nominal cost. Other new books obtained this year, for the library, are those dealing with information to help young men who will shortly be of draft and enlistment age. The boys have been so eager to read from this group, that reservation lists, as high as a month in advance, are now on the librarian's desk.

We are also indebted to Mr. Charles Larrabee who so kindly gave us books, too numerous to list here, from the estate of the late Mr. Eben Jones.

The townspeople are cordially invited at any time to come and see our school library.

We have added a new course of study in the English Department this year, called Creative Drama and World Literature. The course is an elective for those juniors and seniors whose interest and capabilities in these fields show that they will benefit by taking this subject. The aim of the course is to give special training and credit to pupils who are interested in creative play writing. The course was written by Mrs. Wilder and received approval by the State Department of Education so it could be instituted in the local high school.

Last year, Lorinda Ballard's play "And Usher in the Morning" was the winner of the state contest sponsored for original one-act plays. Her play was later published by the Samuel French Company of New York, and has been produced by several high schools. The school plans to make an entry again this year.

The Industrial Arts room has been rearranged to provide room for the Out-of-School Youth program that has been planned. This course is to be given at night, for young men between the ages of 18 and 25, for the purpose of teaching skills necessary for emergency work. The extra tools necessary for this course are being provided by the Federal Government. They will also be used for regular high school classes, which will greatly improve the regular program in this department. The plans for this course are in the hands of the State Department of Education awaiting approval.

A third year of shop instructions was made available to boys this year. This additional shop instruction is in keeping with the educational trend of providing boys with training along these lines. The Industrial Arts Department is to be commended for the many articles made for use in the school.

There has been a notable increase in the number of girls enrolled in the Home Economics classes this year. The seventh and eighth grade girls served a Christmas Tea for their mothers and teachers. They have also served tea and lunches on several other occasions.

There has been an increase in the number of pupils enrolled in the Commercial Department this year. This department takes care of all work of a commercial nature, for the school. In addition, the pupils gain valuable experience in offices in town, and do some commercial work for various organizations, when their schedule permits. The use of rented dictaphone equipment has added another valuable experience for commercial pupils.

Visual education, which is under the direction of Mr. Livingston, has been expanded to include the Central School along with the High School. In order to do this, it was necessary to find a source of films that would include those for lower grade levels, as well as for high school levels, without too great an increase in the cost of operating this phase of our educational program. Boston University seemed to offer the best program, and as a result, we have an extremely busy motion picture projector.

Visual Education, besides being used extensively in our class work, especially in the Science and Industrial Arts Departments, provides excellent Assembly programs. The students have enjoyed these films and the several good speakers we have been able to present to them.

An Outing Club under the supervision of Mr. Livingston has been formed. It is hoped that the club will become an active part of the extra-curricular activities. This has been an inactive year to put more emphasis on a sport that has become so popular during the last few years.

Another extra-curricular activity added this year is the Student Advisory Council. This group elected by the students and faculty will act as liaison between students and faculty and will give the students experience in democratic activities.

The guidance of youth, both of an educational and vocational nature is a vital necessity. Recognizing this necessity, all the pupils have at least one private interview, members of the upper classes and those who make appointments being interviewed more frequently. The purpose of these interviews is to give each pupil information pertinent to themselves. Every effort is made to have each pupil understand his or her capabilities and limitations. With these in mind, they are able to plan their future accordingly.

It is being increasingly recognized that the school's responsibility to youth does not cease when formal relationship is ended. We are making a determined effort to make the school a more effective part of the students' life. In keeping with this thought, we hope to further increase our service to pupils and graduates, by helping in their placement in temporary and permanent work. We would welcome any inquiry for the services of young people.

In an effort to serve the probable future needs of pupils, the survey of the graduates of the past ten years is being kept up to date. It is assumed that the present pupils will probably lead lives quite similar to those who have recently left school. With this information the school can evaluate present school practices and make the school more vital.

The cooperative spirit of the faculty and the fine support of the schools by the community and the school authorities assure the fulfillment of a year of accomplishment.

Respectfully submitted,

ELLIOTT W. KEACH, Headmaster.

Report of the West Peterborough School 1941–1942

On September 3, 1941, twenty-six children were enrolled at the West School. September 8, one more name was added. This registration of sixteen girls and eleven boys remained unchanged on January 31, 1942.

The year has been a busy and happy one. The milk, also cod-liver oil, given to the children, who are not taking them at home, are good health allies.

Part of the cost is taken care of by the children, the remainder, as for many years, by individuals who are glad to have a chance to help build a better future for these youngsters.

Christmas was fun, as usual, with another surprise box of beautifully wrapped gifts from Santa, gifts from the P. T. A. and individual presents, it was a "big" Christmas.

The children are again grateful to Miss Martha Cutler for magazines. They were very happy over the stage and marionettes given them by Lorinda Ballard.

School work that must be done has interfered with doing much with them as yet, later in the year they hope to enjoy working with them.

Peterborough's interest in this small school adds much to its happiness and progress.

Many of the West boys, who, as little fellows used to pledge daily allegiance to their country's flag, are now many miles away, hoping and striving, with thousands of other boys, to make true America's dream of "liberty and justice for all."

Respectfully submitted,

KATIE T. NICHOLS

Music Department Report
February 1942

The report presented by the music department one year ago, outlined the activities to be covered by a well balanced music program. "Music Appreciation" was the general heading, which included: vocal and instrumental music; listening; creative expression; rhythmic development; dramatization; and nationality in music. The last named, nationality in music, has taken on added importance since a national emergency has occurred. There can be no better way of developing a sympathetic understanding of other nations, and love of one's own country, than through music, so greater emphasis is being put on appreciation of the "music of many peoples," their songs, dances and musical instruments. This type of work comes under the heading of the "Social Program" and involves the correlation of music with the study of history and geography. In the intermediate grades these studies are illustrated through music of the different races and their periods of development. Some of these periods have been, "The Crusades", which includes the singers of the middle ages; "Music of Early Greece"; and the "Period of Expansion." This work has been greatly aided by the purchase of new books, completing the set of "The Music Hour Series", used in the grade school.

"Special Occasions", at Central School have been celebrated with an "Indian Pow Wow", presented on the school grounds, October seventeenth. The first three grades visited a high school assembly and presented a program of Indian songs and rhythms. This was a correlation of music with an Indian Unit. At Thanksgiving, the grades assembled to sing songs of "Thanks", and listen to original stories of the Pilgrims, which was an outgrowth of their study of "Life in the Colonies." The Christmas program at Central School presented the activities of the regular classroom work. Themes such as "Life of the Hebrew Shepherds," "Christmas Ceremonials in England," toy rhythms, and the singing and dancing of folk carols, add to the development of the aesthetic instincts and provide a means for expressing the finer emotions. May Day, weather permitting, will be an outdoor celebration of May Day customs in song and dance.

It was found possible to increase the time given to the fourth, fifth and sixth grades, so that they receive two hundred and forty minutes of music over a period of three weeks, instead of two hundred and ten minutes.

The grade school orchestra begun last year, is advancing, having a longer practice period each week. Upon this group of four rests the responsibility of next year's high school orchestra, which was depleted by graduation last year, leaving the high

school without this organization. However, ground work is being laid for future instrumentalists. A clarinet was purchased, with money earned from last years' spring concert, and instrumental lessons are being given not only in clarinet but in trombone and trumpet.

The piano classes, though small, give added impetus to instrumental study. Their policy is to discover the talented pupil and guide him to further study with the private teacher. This was realized with some of last year's pupils and this year there are others who show great promise.

The West Peterborough School receives instruction that parallels that at Central School. The time devoted to music has been increased a half hour; grades one and two, twenty-five minutes each; grades three and four combined, twenty-five minutes; and then all grades unite for fifteen minutes of rhythm play.

The Junior High School has a "Question Box" in which is put the answers to a different musical question, under consideration each week. The students answers are charted to show the highest scores at the end of each interval. Because of the emphasis put on nationality in music the questions at present are revolving about composers of different nations from the "Classics," to the "Moderns" and the field of music associated with each composer. This discussion is the basis for one period a week. The other two forty-minute periods are devoted to voice theory, rudiments, and acquiring a repertoire of songs.

A selected chorus of twenty-five from the Junior High School sang English Hunting songs at the Piccadilly Circus, given at the Town House, December fourth. This was regular classroom work and fitted in with the study of characteristic styles and forms of composition.

At Christmas, the Junior High English and Music classes united to present for P.T.A. and high school assembly, a festival "Christmas in Old England." Children from the grade school assisted, as their work in music and physical education correlated with the festival.

In May the seventh and eighth grades will probably present a choral program during music week as they did last year.

Although the High School Boys' Glee Club lost some of their good singers and actors last graduation, they are showing a fine spirit of co-operation to promote the growth of the Club. Combined with the Girl's Club, they make a worthy organization and have given their services to the Town Armistice Day Program and Christmas festivities. At present they are rehearsing a spring concert and variety show to take place about April tenth. Other future events will be participation in the New Hampshire All-State Festival and graduation activities.

A new organization within the high school is the "Solo Class." There is one class for boys and one for girls, made up of small groups of not more than eight selected for their solo ability. "The Haywood Voice Culture Course" is used providing the training for the fundamental principles of artistic singing. Each member is expected to sing before the group, and attention is given to individual voice problems. This work not only strengthens the glee clubs, but gives invaluable development in personality and poise.

It is worthwhile noting that through its musical activities Peterborough has contributed its share to the present national need of strong morale. Today more than ever cultural progress must be protected and promoted. Music cannot be underestimated as a force which strengthens the spirit of a nation.

Respectfully submitted,

ALBERTA COBLEIGH

Physical Education Report February 7, 1942

To The Superintendent of Schools:

As Physical Education teacher in the Peterborough Public Schools I submit the following report.

In all the grades a physical examination is necessary before participation in the Physical Education program. Any persons referred to me as special cases by the doctor or nurse are allowed to participate only to that extent which does not endanger their health.

The elementary first, second, and third grades at the Central School are allotted three one-half hour classes a week. In these classes the fundamental principles of health, posture, and sportsmanship are stressed through story plays, singing games, rhythmic activities, simple ball and beanbag games, dances, mimetic activities and stunts. The work is graded according to the recommendations of the State Program for Elementary Physical Education. One class period a month the pupils are allowed to select for participation, any activities that have been taught in the past lessons.

Grades four, five, and six have two classes a week of one-half hour each. In these classes more formal activities are conducted with an aim toward coordination of body and mind to better encourage good health and posture. Simple American dances have been taught as well as beginning ballroom dance steps. Marching, exercises, and games have been set to music

to enable the classes to maintain rhythm and coordination more easily. As in the other grades, once a month the pupils may choose their own program of review.

At the West Peterborough School the first and second grades meet together once a week for a one-half hour period. Then the third and fourth grades meet for a similar period. I try to accomplish in one class as much of the work as that given to the Central School pupils. However, there is less emphasis upon perfection at the rural school because of the lack of time. Rather, the emphasis is upon general health and group play.

The junior high school and high school classes meet twice weekly for forty minute periods.

The seventh and eighth grade boys have had a varied program consisting of softball, touch football, volleyball, basketball, badminton, marching, and tumbling. Special stress has been upon team play and sportsmanship. The rules of each game have been taught and many boys have learned the official requirements for the scoring and timing of official games.

The Junior High School and High School girls' program has included formal gymnastics, marching, Indian Club drills, folk dancing, square dancing, ballroom dancing, field hockey, volleyball, basketball, badminton, and general games. Those games that have a carry-over value into later life have been given special attention as to scoring, proper technique of play, and the care and cost of equipment.

Since the first of January 1942, one high school class period a week has been given over to the study and practice of Red Cross First Aid. It is hoped that all pupils taking this course will receive Junior Red Cross certificates.

The extra-curricular activities have included hockey and basketball. The season for hockey was short, but those players participating were able to win over Newport and to tie Keene in two exciting games.

The basketball team has played the game as good sportsmen should play. They justify the long hours of practice after school every day.

The above program meets the demand of only a few pupils. It is my plan to have volleyball, badminton, and tennis tournaments, track and field events, and archery, under an intramural program to reach those girls and boys who like to participate, but do not enjoy the more strenuous and competitive sports.

Respectfully submitted,

Carolyn E. Parren,
Physical Education Director

SCHEDULE FOR 1941–1942

	Name	Department	Salary	Degree From	Experience
1.	Ames, Ellen J.	Grade VI & Remedial	$ 450	Keene Teachers' College, '23	10 years

Different pupils registered	459
Previously registered elsewhere	15
Not previously registered: (boys)	223
(girls)	221
Half days lost: average	12
Half days in session	354
Pupils between 5–8 years of age	80
Pupils between 8–14 years of age	191
Pupils between 14–16 years of age	87
Pupils between 16–21 years of age	86
Percent of attendance	95.32
Pupils not absent or tardy during year	49
Cases of tardiness	313
Number 8–14 not attending any school	4
Non-resident pupils in elementary schools	12
Non-resident pupils in secondary schools	66
Pupils transported at district expense	148
School houses used during the year	3
Average salaries of teachers:	
Secondary men	$2,342
Secondary women	1,245
Elementary men	1,600
Elementary women	1,100
School Board meetings	15
School visits made by Board members	25
School visits made by Superintendent	390
School visits made by Citizens	338

SCHOOL BOARD REPORT

1942

With the increasing demand for skill in trades the School Board authorized a three year course in Manual Arts in place of the former two year course. This program of extending the vocational training is for boys who intend to go into trades following graduation, and has long been an object of both the citizens and the School Board.

In addition to this program plans have been approved by the State Department for a Defense School. Out of School Youth from 18–25 years of age will be taught skills which are necessary to this period of emergency. Tools, machinery, material and teaching staff are furnished by the Federal Government. The school furnishes the building. Due to lack of space in the Manual Arts room it will be necessary to build a temporary structure at the rear of the High School building for storage of materials. The cost will not be large and will be carried by this year's budget. The day students also have the use of the equipment furnished by the government. The classes will be held at after school hours and additional light and heat expenses are reimbursed. Classes will start as soon as machinery and equipment arrive.

The special housing committee appointed by the school moderator, Lincoln R. Lounsbury, consisting of Karl B. Musser as chairman, Thomas Nichols and the School Board are to make a detailed report at the School Meeting. Briefly, their recommendations are that no extensive building campaign be undertaken at the present time due to possible interference with the defense program.

Arrangements have been completed under the guidance of the chief evacuation agent to evacuate the schools in case of an air raid warning. Practice drills are being held to acquaint the children with their stations and the procedure of orderly evacuation.

The School Board feels the education of a child is directly related to the ability of the teaching staff. Many hours are spent and the assistance of the Superintendent and Headmaster are used to great advantage in maintaining a staff of the highest standards of ability. From time to time members of the staff are called to other fields of work, frequently at a considerable increase of salary. Where attention to their duties here make possible a greater opportunity, they leave with the best wishes of the Board. Peterborough is fortunate in that it attracts promising material, so that over a period of years through careful selection, the standards are maintained and the intention is to raise these standards. During the period of the emergency competition within the teaching profession and the

effect of the draft and lucrative defense work, will make this problem of the Board exceedingly difficult and will require some additional appropriation by the tax payers. We are proud of our staff and we hope a large percentage of the teachers will renew their contracts.

The health program is again under the supervision of Doctor Donald Clark, school physician, and Mrs. Ola Myhaver, school nurse. Their report brings detailed information on the health activities. Once more we thank the Parent Teachers Association for their assistance which with the cooperation of local organizations furnished medical and dental care, hot soup, milk and cod liver oil. Appreciation is extended to Physicians, Dentists, and Oculist, as well as the Peterborough Hospital for Clinic rates.

The transportation contract for the school years 1941–42 through 1943–44 was awarded to F. C. Mercer & Co. Mr. Mercer was low bidder on this contract, which was awarded to him on a $6500.00 a year bid on the base contract. New steel safety school busses were purchased to carry on this work with ample provision for any anticipated increase in the number of students to be transported. There are 144 students who are being carried on busses at the present time. In addition to those served by the regular routes we are transporting one child who is physically handicapped, as is required by the state law.

During the past summer the Center School was given two coats of paint on the exterior and repairs were made to window casings, trim, outside stairways and siding at a cost of $941.00.

Last year a portion of the High School building was insulated. Results were so satisfactory that the insulation was extended to the entire third floor ceiling. The payment for this insulation is on a three year contract at $228.80 per year.

The effect of the new industry at the West on the schools will not be apparent until next year. At present, only one room and one teacher is being used. Regardless of the school population the roof on the West Peterborough School will require extensive repairs which has been planned for in the budget under minor repairs.

The School Board finds it impossible to forecast the number of tuition pupils each year. At present fifty seven High School and eleven Grade School tuition pupils have registered. This would indicate $6096.00. At the half year four had left school primarily because of the high paying positions for youths in factories during the emergency. Because of this flexibility in tuition receipts, the Board has continued the policy of using only positive expectations in budget forecasting.

At the close of the school year, July 1, 1941, there was a cash balance of $523.72 on hand. This balance was used in

part in the painting of the Central School and to take care of the expansion in the shop course at the High School. The balance occurs due to the safety factor which the board allows in estimating income from tuition receipts as explained above.

The School Board has enjoyed the cooperation of the parents, the teaching staff, and citizens. Peterborough Schools represent a large investment on the part of the tax payer and the responsibility to the younger generation and their desire for proper education is well appreciated. We feel that both the student from Peterborough and the surrounding towns has as good an opportunity as he might find in towns of similar size anywhere. In addition he or she enjoys certain values which can only be had in the smaller schools.

DONALD K. MCLEOD

REPORT OF SCHOOL PHYSICIAN AND SCHOOL NURSE

1940–1941

To the Superintendent of Schools and Board of Education,

Town of Peterborough, N. H.

The following is the report of the Medical Inspection Department of the Peterborough Public Schools for the School year beginning Sept. 4, 1940 and ending June 12, 1941.

Total number of students registered	424
Total number of students examined by the Medical Inspector	416
Eyes tested by the school nurse	424
Ears tested by the school nurse	424

Defects found:		Corrections or treatments:	
1. Defective teeth	229	Dental Clinic	63
Defective	182	Dental Corrections	85
Unclean	41	Others having attention	119
Orthodontia needed	6	Total	267
2. Enlarged Tonsils			
(a)	31	Tonsils removed at Clinic	3
(b)	30	Others having tonsils removed	10
		Total	13

(a) Students needing immediate attention.
(b) Students needing attention if they have sore throats frequently or are bothered in any way by their enlarged tonsils.

3. Defective Vision	30	Strabismus, Operation	1
Eyestrain re-tested	53	Eyes examined or re-examined	47
Eyestrain	10	Eyestrain improved	42
Defective vision	1	Glasses fitted	17
Strabismus	1	Glasses re-fitted (Plus one pre-school)	25
		Glasses not necessary	7
		Glasses not necessary to re-fit	1
Sept. — Wearing glasses	65	June — Wearing glasses	81

4. Audiometer tests for children beyond grade two have been made possible by the loan of an audiometer from the State Department of Education, purchased by the American Legion and its Auxiliary of District No. 2.

Hearing Tests	272		
Hearing re-tests	70		
Total tests	342		
Defective hearing	2	Under treatment	1
Wax in ears	18	Wax removed	9
Eczema in ears	1	Under treatment	1
5. Enlarged Glands	8		
Thyroid gland enlarged	4	Under treatment	1
6. Cardiac Conditions re-checked	37	Improved	6
Cardiac murmurs	14	Normal	17
Heart conditions reported to parents			14
7. Chest Conditions	1		
Chest re-checked	1	Normal	1
8. Athlete's foot (Jr. & Sr. H. S. only)	92		
(a) positive	86		
(b) suspicious	6		
9. Pediculosis	0		
10. Orthopedic (2 new cases this year)	9	Have had treatment previously	8
11. Speech	4		
12. Acne	6	Treatment	6
13. Other skin conditions at time of examination	5	Treatment	5
14. Other defects	37		
15. Special recommendations	24		
16. Total number of students 10% underweight			78
17. Total number of students 10% overweight			19
18. Students not vaccinated			4

Notices of defects of students have been sent to parents. Parents have been notified about dental, tonsil, eye, habit and tuberculosis clinics.

Children have been referred to the Crippled Children's Bureau, State Board of Health, to the Public Health nurse, and to the county and local commissioner of Public Welfare.

19. History of operations for students at the local hospital (other than tonsillectomy) 10

20. X-ray at the Peterborough Hospital	3
Special examinations by the Medical Inspector	116
(a) Employees of the Board of Education	22
(b) Basketball teams	63
(c) Individual inspection and first-aid	31
Communicable Diseases	20
(a) Mumps	17
(b) Measles	2
(c) Scarlet Fever	1
(d) Contacts Fever	2

The Medical Inspection Department has complied with the rules of the State Board of Health on isolation and quarantine.

The Headmaster, principals, and teachers have been on the alert for any symptoms of illness at all times. Co-operation on the part of the parents has helped a great deal.

Attendance has been checked. Home visits have been made when necessary.

Students at Central and West Peterborough schools have been measured three times and weighed at Central seven times and at West Peterborough eight times. At the High School building students have been weighed and measured twice.

Total weights	1777
Total heights	1053
Individual inspection by the school nurse	667
First-aid by the school nurse	475
Phone calls by the school nurse	407
Business calls by the school nurse	16
Home visits by the school nurse	66
Business letters by the school nurse	42
Bandaging — Home Economics Class, period (45 minutes)	
Number of visits to schools	344
High School	175
Central	152
West Peterborough School	17
Interviews by the school nurse	1917
With Officials	12
With Headmaster	132
With Principals	152
With Teachers	181
With Parents	65
With Students	1350
With Others	24

Mrs. Aiken, County Tuberculosis nurse, reported that there would be no clinic this year owing to the heavy defense

program being carried on by Dr. Kerr. Instead, literature was distributed to the faculty.

In the grades at West Peterborough and Central Schools, Health inspection has been carried on each morning by the class room teachers. Tooth brushes have been distributed to the grade children who needed them.

Cod Liver Oil Begun	Discontinued
Central School—Dec. 9, 1940	April 9, 1941
West Peterborough School—Dec. 2, 1940	April 11, 1941
(Sponsored by the Community Student Health Fund)	

Hot Soup Dish Served	Discontinued
Central School—Feb. 3, 1941	April 11, 1941
(Sponsored by the Community Student Health Fund)	

Milk Distributed	Discontinued
Central School—Dec. 16, 1940	April 18, 1941
West Peterborough School—Dec. 16, 1940	April 18, 1941
(Courtesy of the local American Red Cross and the American Guernsey Cattle Club) Sponsored by the Community Student Health Fund Committee of the P.T.A.	

Improvement is noted in health conditions by the small number of communicable diseases and the absence of pediculosis. This resistance to disease is probably due to some extent to the correction of defects, to the giving of Cod Liver Oil, the serving of hot soup at Central, and the distribution of milk. This program could not be carried on were it not for the contributions to the Community Student Health Fund. This year, we have been able to carry the dental clinic program into the Junior and Senior High School (Grades VII, VIII and Freshmen) through the generous contributions of residents.

Records of weights, heights, defects and corrections have been made during the year. Disease census cards have been made out. A Health card is on file for each student.

The Medical Inspection Department has been assisted by the Home Economics Department. Physical examination robes and curtains for screens have been made. By the Manual Training Department, screens, painting, setting-up of first-aid cabinet, and by the Commercial Department, notices sent out, lists made, envelopes addressed, etc. The High School girls have assisted with the preparation of small children for physical examinations.

The nurse's room at the High School building has been redecorated, a new lounge, dressing table, and first-aid cabinet have been added.

The following dental, tonsil, eye and habit clinics have been held during the year:

CLINICS:

	No.	By Whom	Where Held	No. Exam.	Treatment No. Treated	Treatment Not Necessary	Sponsored by
Dental (Gr.)	7	Dr. Kyes	Office, Peterborough	26	26	0	Community Student Health Fund Com. & Parents
Dental (Jr. & Sr. H. S.)	1	Dr. Kyes	Office, Peterborough	3	3	0	Community Student Health Fund Com. & Parents
Grades (Jr.& Sr.H.S.)	15	Dr. Lawrence	Office, Peterborough	32 6	32 6	0	Community Student Health Fund Com. & Parents
Dental (Grs.)	2	Dr. Wilkins	Office, Peterborough	5	5	0	Community Student Health Fund Com. & Parents
Eye	2	Dr. Bemis	Office, Peterborough	2	1	1	Community Student Health Fund Com. & Parents
Eye	1	Dr. Eades	Keene	4	3	1	Community Student Health Fund Com. & Parents
Tonsil	1	Dr. Clark Dr. Lane	Peterborough Hospital	1	1	0	Sponsored by Parents
Tonsil	1	Dr. ——	Grasmere	2	2	0	Sponsored by County Com. of Public Welfare
Habit	1	Dr. Philbrick	Concord State	2	2	0	Sponsored by County Com. of Public Welfare

Recommendations made

Health projects have been carried on by the class room teachers. In grade one, Central School, good foods, especially good breakfasts have been stressed. Twenty attractive blue

bowls have been presented to children who have taken hot cereal for breakfast. Each child was given a sample box of Ralston. A chart was kept, at school, showing the percentage of the class, eating hot cereal for breakfast. The highest was 96% and the lowest was 55%. In grade two Health Habits in relation to good Citizenship have been studied. Each day, American Flags (donated by the Daughters of the American Revolution) are placed on the desks of children doing all the health chores, thus helping them to become good citizens. Good Food Posters have also been made. In grade three, clean teeth, Health and Safety have been the main topics of Health. In grade four, Health Posters "Good Breakfasts" have been made. In grade five, health stories. In grade six, Health Posters. In West Peterborough all health habits have been impressed on the children by the teacher and through health posters.

Meetings attended by the school nurse	7
Child Welfare, Manchester	1
Tuberculosis Clinic, Keene	1
American Red Cross, East Jaffrey & Peterborough	2
Community Student Health Fund. Com. Meetings	2
Tuberculosis Annual Conf.—Manchester, N. H.	1

The time allowed for the work of the school nurse is from 8:30 to 12 noon, daily for five days a week.

At this time the Medical Inspection Department wishes to thank

(a) All organizations and citizens contributing to the Community Student Health Fund, sponsored by the Parent-Teacher Association.
(b) The American Red Cross.
(c) The Daughters of the American Revolution.
(d) The American Guernsey Cattle Club.
(e) The American Legion and its Auxiliary District No. 2 and to express its appreciation for the co-operation of
  (1) The Public Welfare and Health Department (local, county, and state).
  (2) The Parent-Teacher Association.
  (3) The Supt. of Schools, Board of Education (local and State) and Headmaster, Principals and Teachers.

We are grateful to the Doctors, Dentists, Eye Specialists, nurses and the Peterborough Hospital for their services and to all students, school employees and others who assisted in any way.

Respectfully submitted,

DONALD M. CLARK, M.D.
Medical Inspector.

OLA MYHAVER, R.N., School Nurse.

INSURANCE ON SCHOOL BUILDINGS

Total Insurance on School Buildings		$91,600 00
High School	$60,000 00	
Furniture and fixtures	10,000 00	
Central School	15,000 00

PETERBOROUGH HYMN

A. D. 1620

God our Father,
    Glory, Lord to Thee!
Before whose voice
    Is mute the thund'ring sea!
Through wind and foam
    Thou lead'st us home—
To Thee be glory thro' eternity.

Great Jehovah,
    Author of our faith
To Thee we bring
    Full hearts and joyful breath
Be Thou our guide
    With Thee we bide
To love, to labour, and to hope till death.

Edward MacDowell
